## ABOUT

Specializes in creative editorial for the entertainment marketing and trailer industry. Currently has 14+ years of professional experience in production and post.

Well rounded in cutting trailers for all genres, but has an intense passion for action, drama and horror genres. In terms of editorial style, a huge fan of heavy sound design pieces that include rhythmic sound design, repeating sound, and "click-click-boom"-style editing.

## WORK / EXPERIENCE

### LIVEBAD CREATIVE

May 2024 - Present (Founder / Editor)

- Working directly with studio clients such as NEON, MUBI, Sony Classics, and Shout Studios.
- Build relationships with studio marketing execs. Business development.
